

# **MY LOVE**

**-PBC**

When the first time I saw you,  
My heart skipped a beat.  
And when you come closer to me.  
I saw my reflection in your eyes....  
I found my smile in your laughter....  
Your eyes are like kind flowers on a winter day....  
I like moon, but not as much as I love you.  
I may not be texting you, but  
I will be waiting for your response.  
I may not greet you when I wake up,  
But even today, you're my last thought, when I go to sleep.  
Whenever I remember you ,  
your memories will be going through music.  
You have always been the sweet chapter of my book.
